

## Japan Peppol Team tiny group Meeting in Tokyo (2026.3.4)

On 4<sup>th</sup> March 2026, Digital Agency, as Japan Peppol Authority, organizes a Japan Peppol Team “tiny group” in person Meeting in Tokyo.

Firstly, members review the results of “e-invoice portal” in FY 2025 and share the recognition that improvements are needed to enhance its UX/UI. Based on that, members also confirm to continue providing service of e-invoice portal, with some updates, in FY 2026.

Mr. Federico Feggi, Tech leader

Opinion Exchange

Moreover, Mr. Federico, a technical leader of the team, shows some his idea how to realize “Reporting Scheme” using Peppol framework with some examples in other countries, for instance Belgium, Italy and so on. In addition, members conclude that there would be some “technical” challenges to implement that.
