# Chapter 1 Common Menu

## Where is Common Menu?

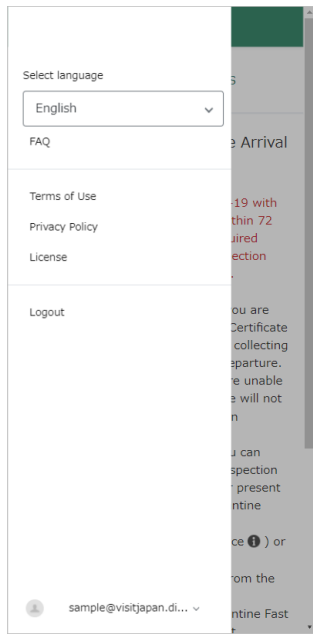

You can access the Common Menu from all pages except the Login page in this service. If you are using a smartphone, the Common Menu is in the three-line menu. If you are using a PC, the Common Menu is located on top menu.

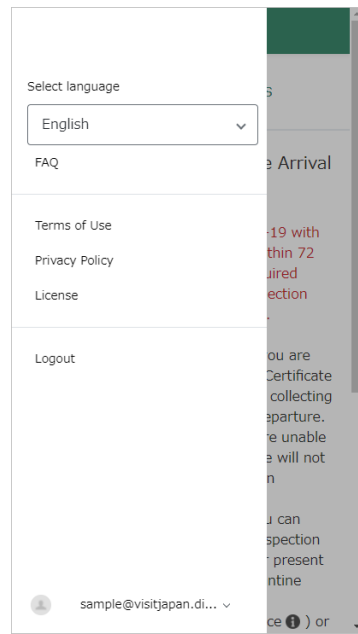

Common Menu (smartphone)

## Instructions

- 1** When you tap the “Select Language” field, a screen to select Japanese or English appears.  
All pages are in the language of your choice.
- 2** When you tap the “FAQ” link, the “FAQ” page appears. You can check Instructions this service.
- 3** When you tap the “Terms of Use” link, the “Terms of Use for this service” page appears.
- 4** When you tap the “Privacy Policy” link, the “Privacy Policy for this service” page appears.
- 5** When you tap the “License” link, the “License for this service” page appears.
- 6** When you tap the “Logout” link, you log out of this service, and the page to start logging in or creating an account (2-1 Start using Visit Japan Web) appears.
- 7** If you are not logged in to this service, “Login” is displayed at the bottom of the Common Menu.  
When you tap the “Login” link, the page to start logging in or creating an account (2-1 Start using Visit Japan Web) appears.
- 8** If you are logged in to this service, your account’s email address is displayed at the bottom of the Common Menu.  
When you tap the email address, the “Change password” screen appears. When you tap the “Change password” link, the page to change your password (2-3 Change password) appears.

# Chapter 2 Instructions for Initial Registration

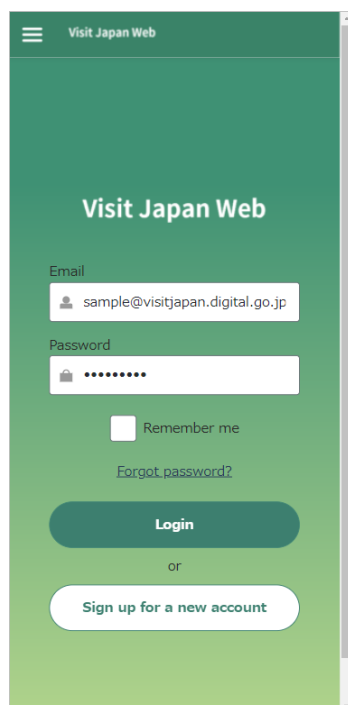

## 2-1 Start using Visit Japan Web

### Overview of this page

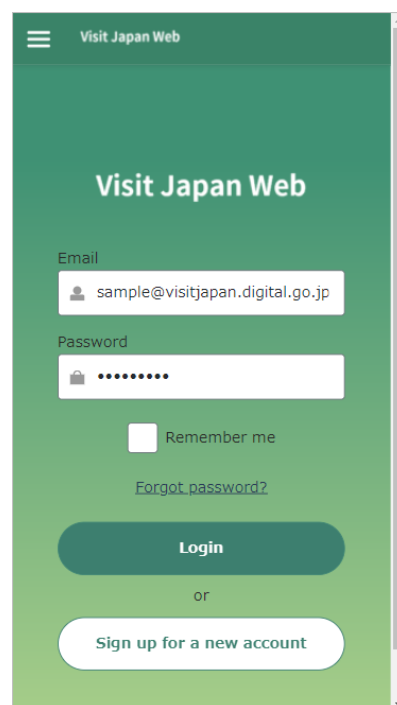

This is the page to start logging in or creating an account.

### Instructions

- 1 If you have an account and tap the “Login” button after entering the required information, the page to select whether to register an Inspection Certificate or proceed to the next page (3-1 Start Pre-arrival Procedures) appears.
  - ※If you log in to this service with a temporary password, the page to change your password(2-3 Change password) appears.
  - (1) When you select the “Email” input field, the keyboard appears. Enter your registered email address.
  - (2) When you select the “Password” input field, the keyboard appears. Enter your registered password.
    - If you forget your password for this service, tap the “Forgot password” link. After tapping “Forgot password”, the page to reset your password (2-4 Reset password) appears.
  - (3) If you check the “Remember me” check box, you will be able to skip entering your credentials for a certain period of time.
- 2 When you create an account newly, tap the “Sign up for a new account” button. After tapping the “Sign up for a new account” button, the page to create an account (2-2 Create an account) appears.

Android

iPhone

The page to start logging in or creating an account

## 2-2 Create an account

### Overview of this page

This is the page to create an account for this service.

### Instructions

- 1 Check “Terms of Use for Visit Japan Web”. If you agree to it, check the “I agree to the Terms of Use” check box at the bottom of the page.
- 2 When you select the “Contact Email” input field, the keyboard appears. Enter your email address within 250 characters. The email address needs to comply with Request for Comments. Enter the same address on the “Confirm Email” input field.
- 3 Check the “I’m not a robot” check box and select pictures according to the instructions on the displayed screen.
- 4 When you tap the “Register” link, the page to start logging in or creating an account (2-1 Start using Visit Japan Web) appears.  
An email with a temporary password (10 digits random character string with a mixture of uppercase letters, lowercase letters and numbers) will be sent to your registered email address.
- 5 Enter your registered email address and the temporary password and tap the “Login” button.

※If you enter your registered email address, you will not receive the email. (Double registration is not allowed.)

#### Note

This service requires one account per person. When you use this service to enter Japan with multiple people (for example, family), create as many accounts as the number of people you accompany. All accounts must be created with different email addresses.

The screenshot shows the registration page on an Android device. At the top, there is a green header with a hamburger menu icon and the text "Visit Japan Web". Below the header, the text "I agree to the Terms of Use \*" is displayed with an unchecked checkbox. Underneath, there are two input fields: "Contact Email \*" and "Confirm Email \*". At the bottom of the form, there is a reCAPTCHA widget with the text "I'm not a robot" and a small robot icon, along with a "reCAPTCHA" logo and links for "Privacy" and "Terms". A light blue "Register" button is positioned at the bottom of the form.

Android

The screenshot shows the registration page on an iPhone device. The layout is identical to the Android version, featuring a green header with "Visit Japan Web", a terms of use checkbox, email input fields, a reCAPTCHA widget, and a "Register" button.

iPhone

## 3-2 Register Inspection Certificate

### Overview of this page

This is the page to select the Inspection Certificate registration. (select “Use Quarantine Fast Track or bring a paper” or “Upload an electronic file”).

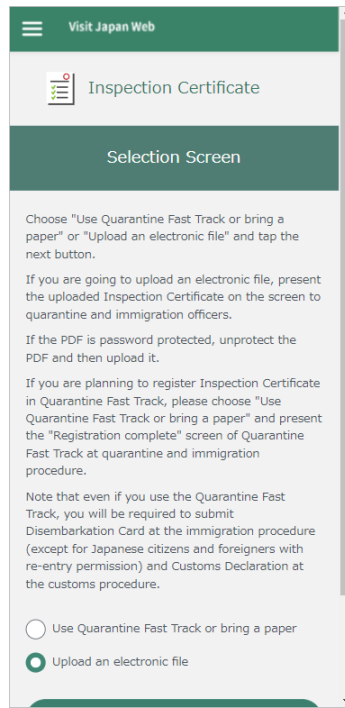

In addition, once you have selected the Inspection Certificate registration, you can check the information that you registered and the electronic file that you uploaded on this page.

### Instructions (Select the Inspection Certificate registration)

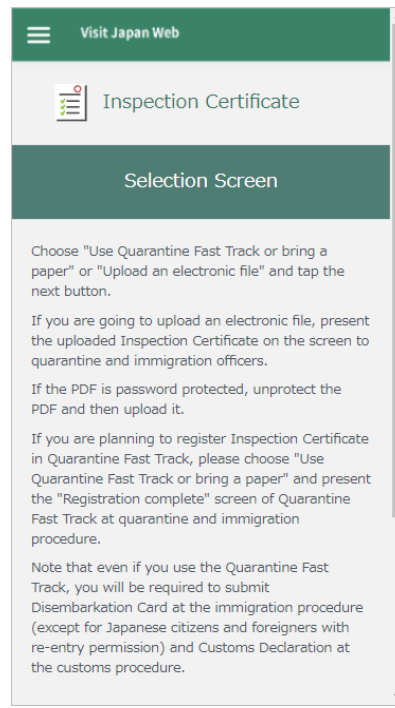

- 1 If you use Quarantine Fast Track or bring a paper of the Inspection Certificate, select the “Use Quarantine Fast Track or bring a paper ” radio button, and tap the “Next” button. When you tap the “Next” button, the “Registration (Paper)” page appears. On this page, two messages “Inspection Certificate with a sample taken within 72 hours prior to departure is required.”, “You will be asked to present your Inspection Certificate upon entering Japan. Please be sure to bring your Inspection Certificate with you. If you are planning to register Inspection Certificate in Quarantine Fast Track, please select "Use Quarantine Fast Track or bring a paper" and present the "Registration complete" screen of Quarantine Fast Track at quarantine and immigration procedure. Note that even if you use the Quarantine Fast Track, you will be required to submit Disembarkation Card at the immigration procedure (except for Japanese citizens and foreigners with re-entry permission) and Customs Declaration at the customs procedure. ” are displayed. Check these and tap the “Agree and Complete” button.
- 2 If you upload the electronic file of the Inspection Certificate, select the “Upload an electronic file” radio button and tap the “Next” button. When you tap the “Next” button, the “Registration (Electronic File )” page appears. Three messages “Inspection Certificate with a sample taken within 72 hours prior to departure is required.”, “The following file extensions are supported to upload Inspection. (Certificate: .pdf, .jpeg, .jpg, .gif, .png) If you do not have valid Inspection Certificate, you may be denied entry to Japan. Please present the uploaded Inspection Certificate at the airport check-in counter, quarantine in Japan and immigration. ”, and “Password-protected files are not allowed. If you can only prepare a password-protected file, please select the paper procedure and bring the printed Inspection Certificate with you.” are displayed. Check these messages, tap the “Select file” field, upload the electronic file of the Inspection Certificate, and tap the “Upload” button. This service does not allow to upload the electronic file that is not in pdf, jpeg, jpg, gif, and png.

#### Note

If the electronic file is password protected, unprotect it and upload it. If you cannot unprotect it, bring a paper copy of the Inspection Certificate. (If you upload the electronic file with password protected, you may be required a paper copy of the Inspection Certificate.)

Android iPhone  
the page that the Immigration Procedure Menu is displayed

## 4-2 Basic information > Users Information

### Overview of this page

This is the page to enter the basic information about the user.

※The basic information about the user is a family name, given name, date of birth, and passport number.

### Instructions

**1** After entering each item, tap the “Next” button.

- (1) When you select the “Family name” input field, the keyboard appears. Enter your family name within 39 digits. You can enter only in Latin alphabet, numerical values and symbols.
- (2) When you select the “Given name” input field, the keyboard appears. Enter your given name within 39 digits. You can enter only in Latin alphabet, numerical values and symbols.
- (3) When you select the “Date of birth” input field, the calendar appears. Select your date of birth on the calendar.

※ The calendar and date format depend on your browser type and setting. (When you use PC, the calendar may not appear.)

If you don't know your date of birth, turn on the “Date of birth unknown” toggle, and enter according to the following

- > Unknown year/month/day: Select “Unknown” on the “year” field.
  - > Unknown month/day: Select the year you were born on the “year” field, “Unknown” on the “month” field.
  - > Unknown day: Select the year you were born on the “year” field, the month you were born on the “month” field.
- (4) When you select the “Passport number” input field, the keyboard appears. Enter your passport number within 9 digits. You can enter only in Latin alphabet and numerical values.
  - (5) When you select the “Confirm passport number” input field, the keyboard appears. Enter the same passport number as in (4) above. You can enter only in Latin alphabet and numerical values.

The screenshot shows the Android version of the 'Visit Japan Web' app. The top navigation bar is green with a white hamburger menu icon and the text 'Visit Japan Web'. Below the navigation bar, there are two main sections: 'Basic information' (with a person icon) and 'Users Information' (with a dark green background). A progress indicator shows '1/4Pages'. The form contains the following fields: 'Family name [Latin alphabet, numerical values and symbols] \*' with the value 'SMITH'; 'Given name [Latin alphabet, numerical values and symbols] \*' with the value 'JOHN MATTHEW'; 'Date of birth \*' with the value '1990/03/01' and a calendar icon; 'Date of birth unknown' with an information icon and a toggle switch; and 'Passport number [Uppercase Latin alphabet and numerical values] \*' with the value 'TT0000000'. A 'Confirm passport number \*' field is partially visible at the bottom.

Android

The screenshot shows the iPhone version of the 'Visit Japan Web' app. The layout is similar to the Android version, with a green top navigation bar containing a white hamburger menu icon and the text 'Visit Japan Web'. The 'Basic information' and 'Users Information' sections are present. The progress indicator shows '1/4Pages'. The form fields are: 'Family name [Latin alphabet, numerical values and symbols] \*' with 'SMITH'; 'Given name [Latin alphabet, numerical values and symbols] \*' with 'JOHN MATTHEW'; 'Date of birth \*' with '1990/03/01' and a calendar icon; 'Date of birth unknown' with an information icon and a toggle switch; and 'Passport number [Uppercase Latin alphabet and numerical values] \*' with 'TT0000000'. A 'Confirm passport number \*' field is partially visible at the bottom.

iPhone

the page to enter the basic information about the user

## 4-3 Basic information > Immigration information to Japan

### Overview of this page

This is the page to enter the basic information about the user's schedule.

※ The basic information about the user's schedule is the scheduled date of entry to Japan and the flight number to board.

### Instructions

1 After entering each item, tap the "Next" button.

- (1) On the "Scheduled arrival day" input field, today's date (Japan standard time) is set as the default value. Change the value to the scheduled date of entry to Japan. When you select the input field for "Scheduled arrival day", the calendar appears. Select the scheduled date of entry to Japan on the calendar.

※ The calendar and date format depend on your browser type and setting. (When you use PC, the calendar may not appear.)

- (2) When you select the "Name of airline" input field, the keyboard appears. Enter the flight number to board within 8 digits. You can enter only in Latin alphabet and numerical values.

Android

iPhone

## 4-8 Disembarkation card > Immigration information to Japan

### Overview of this page

This is the page to enter the immigration information for the Disembarkation card.

※The immigration information for the Disembarkation card is purpose of visit, flight No., intended length of stay in Japan.

### Instructions

**1** After entering each item, tap the “Next” button.

- (1) When you select the “Purpose of visit” input field, the list of purpose appears. Select your purpose from the list “Tourism”, “Business”, “Visiting relatives”, and “Other”.

If you select “Other”, the “Specific purpose for visit” input field appears.

- (2) When you select the “Specific purpose for visit” input field, the keyboard appears. Enter your specific purpose for visit within 59 digits. You can enter this field only when you select “Other” for purpose of visit. You can enter only in Latin alphabet, numerical values and symbols.

- (3) On the “Last Flight No” input field, the value which entered in “4-3 Basic information > Immigration information to Japan” is set as the default value. Change the value as needed. When you select the “Last Flight No.” input field, the keyboard appears. Enter your last flight No. within 8 digits. You can enter only in Latin alphabet, numerical values.

- (4) About “Intended length of stay in Japan”, enter “Duration of stay in years”, “Duration of stay in months”, and “Duration of stay in days”. You can enter only in numerical values.

- When you select the “Duration of stay in years” input field, the keyboard appears. Enter your duration of stay in years from 0 to 5 (6 or more cannot be entered).
- When you select the “Duration of stay in months” input field, the keyboard appears. Enter your duration of stay in months from 0 to 12 (13 or more cannot be entered).
- When you select the “Duration of stay in days” input field, the keyboard appears. Enter your duration of stay in days from 0 to 180 (181 or more cannot be entered).

※If “Duration of stay in years” and “Duration of stay in months” are 0, “Duration of stay in days” will be the required field. (You cannot enter 0 in all fields.)

The screenshot shows the Android version of the 'Visit Japan Web' app. At the top, there is a green header with a hamburger menu icon and the text 'Visit Japan Web'. Below this is a grey bar with a person icon and the text 'Disembarkation card'. A dark green bar contains the text 'Immigration information to Japan'. Below that is a progress indicator showing '2/5Pages'. The main form area has a white background and contains the following fields: 'Purpose of visit \*' with a dropdown menu set to 'Tourism'; 'Last Flight No. [Latin alphabet and numerical values] \*' with a text input field containing 'NH000'; and a section titled 'Intended length of stay in Japan' which includes two text input fields: 'Duration of stay in years [Numerical values only]' and 'Duration of stay in months [Numerical values only]'. A vertical scrollbar is visible on the right side of the form.

Android

The screenshot shows the iPhone version of the 'Visit Japan Web' app. It has the same layout as the Android version, including the green header, grey bar, dark green bar, and progress indicator. The form fields are identical: 'Purpose of visit \*' (dropdown: 'Tourism'), 'Last Flight No. [Latin alphabet and numerical values] \*' (text input: 'NH000'), and the 'Intended length of stay in Japan' section with 'Duration of stay in years [Numerical values only]' and 'Duration of stay in months [Numerical values only]' text input fields. A vertical scrollbar is visible on the right side of the form.

## 4-9 Disembarkation card > Intended Address in Japan

### Overview of this page

This is the page to enter the intended address for the Disembarkation card.

※The intended address for the Disembarkation card is postal code, prefecture, city, address, hotel name, place of stay, and telephone number in Japan.

### Instructions

**1** After entering each item, tap the “Next” button.

- (1) On the “Postal code” input field, the value which entered in “4-4 Basic information > Intended Address in Japan” is set as the default value. Change the value as needed. When you select the input “Postal code” input field, the keyboard appears. Enter postal code with 8 digits. You can enter only in numerical values.

After entering postal code and pressing the “Fill Prefecture & City” button, if there is an address associated with the entered postal code, its prefecture and city name will be automatically set on the “Prefecture” input field and the “City” input field.

- (2) On the “Prefecture” input field, the value which entered in “4-4 Basic information > Intended Address in Japan” is set as the default value. Change the value as needed. When you select the “Prefecture” input field, the list of prefecture appears. Select the prefecture where you will stay.
- (3) On the “City” input field, the value which entered in “4-4 Basic information > Intended Address in Japan” is set as the default value. Change the value as needed. When you select the “City” input field, the list of city appears. Select the city where you will stay.
- (4) On the “Address” input field, the value which entered in “4-4 Basic information > Intended Address in Japan” is set as the default value. Change the value as needed. When you select the “Address” input field, the keyboard appears. Enter the address where you will stay within 45 digits. You can enter only in Latin alphabet, numerical values and symbols.
- (5) On the “Hotel name, place of stay” input field, the value which entered in “4-4 Basic information > Intended Address in Japan” is set as the default value. Change the value as needed. When you select the “Hotel name, place of stay” input field, the keyboard appears. Enter the hotel name and the place where you will stay within 100 digits. You can enter only in Latin alphabet, numerical values and symbols.
- (6) On the “Contact phone number” input field, the value which entered in “4-4 Basic information > Intended Address in Japan” is set as the default value. Change the value as needed. When you select the “Contact phone number” input field, the keyboard appears. Enter your telephone number in Japan within 10-11 digits. You can enter only in numerical values.
