Visit Japan Web

<https://www.vjw.digital.go.jp>

Available Airport (For Visit Japan Web)
Narita International Airport , Haneda Airport
Kansai International Airport
Chubu Centrair International Airport
Fukuoka Airport , New Chitose Airport

STEP
01

Quarantine

Fast Track

Follow the instructions to complete a questionnaire and upload a vaccination certificate or a COVID-19 negative (within 72 hours prior to the flight departure) certificate via the "MySOS" app. After reviewing, you can check by the screen color of the app whether the uploaded documents are approved. All are approved, and the screen turns blue. Please show it at the quarantine office.

STEP
02

Immigration

Visit Japan Web

Follow the instruction to input immigration information on the website.
When complete the form, QR code will be issued. Please show the QR code on screen and passport at airport immigration.

STEP
03

Customs

Visit Japan Web

Follow the instruction to fill in customs declaration form on the website.
When complete the form, QR code will be issued. Please scan the QR code on the reader of the Electronic Declaration Terminal at the airport.

Have a nice trip!
