

## Interactive meeting with New Zealand Peppol Authority, on 11<sup>th</sup> December 2024

Digital Agency Japan (Mr. Hiroyuki Kato), as a leader of Japan Peppol Authority, receives a visit of New Zealand Peppol Authority, Mr. Michael Alp, COO, Ministry of Businesses, Innovation and Employment, New Zealand again.

Mr. Michael kindly shares the information that public bodies of New Zealand Government will begin to implement electronic invoice/invoicing systems and make their payments within a maximum of five working days, as of 1<sup>st</sup> January 2026.

In addition, both New Zealand and Japan confirm that business must raise their awareness of the importance to enjoy “benefits” by utilizing e-invoice data.
