

2nd Peppol Authority Workshop between MDEC and DAJ in Kuala Lumpur

On 27th February 2024, Mr. Hiroyuki Kato, a leader of Japan Peppol Authority, joins the 2nd Peppol Authority Workshop between MDEC and DAJ in Kuala Lumpur to update the situation of Peppol e-invoice adoption in each jurisdiction.

Attendance of Datuk Ts Fadzli Abdul Wahit (center), Head/Senior VP, MDEC

Japan shows some good “use cases” of Peppol e-invoice for “B2B”, “B2G” and “cross border” transactions.

Especially, “cross border” case demonstrates the interoperability between JP PINT and MY PINT.

During the workshop, Malaysia (MDEC) updates the situation of their initiative of Peppol e-invoice adoption.

In Malaysia, in principle, tax reporting and e-invoice will be mandated from 1st August 2024 onward, it is confirmed that any necessary preparation is progressing steadily.

Active discussion between PAs

On site visit to Ricoh Malaysia

Thanks to kind arrangements of Ricoh Malaysia, on 26th February 2024, Mr. Hiroyuki Kato, a leader of Japan Peppol Authority, has a great opportunity to visit the office of Ricoh Malaysia.

Welcomed warmly by Ms. Alice Lee (left side of Mr. Kato),
Managing Director, Ricoh Malaysia

Ricoh Malaysia is ready to provide “real” digital services that supports Peppol e-invoicing and digital transformation, which ensures the businesses to accelerate “DX” in their business processes. In addition, the service also supports “Malaysian Tax reporting scheme”, which also contributes to increase the tax compliance of the businesses.

Ricoh is a Japanese “technology Innovation” leader that provides a digital transformation service. In addition, the Ricoh Malaysia highly contributes to the acceleration of “DX” in Malaysia.

Presentation by Mr. Steven Burger,
Vice President/General Manager, Ricoh Company Limited
