

Webinar, collaborating with Operating Office, OpenPeppol, on 15th November 2023

Digital Agency Japan, collaborating with Operating Office, OpenPeppol, had a webinar for Japanese businesses.

With response to interests of Japan Peppol Authority and Japanese businesses, OpenPeppol expert, Mr. Erwin, shared the fundamental idea about Change management PINT.

During the webinar, the importance to ensure a “Stability” of JP PINT was repeated. In addition, it was mentioned that the “Request for Change (RFC) ” would be driven by a OpenPeppol member only, and it was also emphasized that the member who wishes to submit the RFC (Request for Change) should consult Japan Peppol Authority first.
