

# Japan Peppol Team F2F Meeting in Italy (2026.3.19)

On 19<sup>th</sup> March, 2026, Digital Agency, as Japan Peppol Authority, organizes a Japan Peppol Team “tiny group” in person Meeting in Italy and welcomes one new technical member, Mr. Ing. Samuele Corti (Triplo M’s S.A., Switzerland) from 1<sup>st</sup> April, 2026.

Mr. Ing. Samuele Corti

Ing. Corti is a Computer Science Engineer from Politecnico di Milano, specialized in Data Science. He also has enough experiences of software engineering and development, as well as data science.

In addition, Ing. Corti has kept a close eye on the activities of Japan Peppol Team, and he is so interested in those. That is why he can understand the purpose and objective of the team from the beginning.

“We have high hopes for his abilities as a technical expert, and we are sure that he will do an excellent job as an assistant of Mr. Ing. Feggi Federico, a technical leader of Japan Peppol Team”, Mr. Hiroyuki Kato, a leader of Japan Peppol Authority, expresses his high expectations for him.
