

# E-Invoicing Exchange Summit Singapore 2023, from 4<sup>th</sup> to 6<sup>th</sup> December 2023

Digital Agency Japan (Mr. Hiroyuki Kato) and members of “Team Japan” participated in E-Invoicing Exchange Summit Singapore 2023.

During the PINT workshop, Mr. Kato makes Japan’s intention clear to develop “JP non-tax registered Invoice”. It is a specification for Japanese SMEs but at the same time for global businesses without a Japanese tax registration number.

**Interactive workshop of PINT**

During APAC PA’s session, it becomes clear that each PA has a different position on “mandatory use of e-invoice”, but all agrees that e-invoice is an essential digital tool to accelerate business efficiencies.
