

On site visit to Ministry of Business, Innovation & Employment, New Zealand

On 7th and 8th February 2024, Mr. Hiroyuki Kato visits Ministry of Business, Innovation & Employment (MBIE) , New Zealand to exchange the opinions about the acceleration of Peppol e-invoice adoption.

2nd in person meeting in Wellington

The MBIE is the Peppol Authority in New Zealand, and this is the 2nd in person meeting between PAs of each jurisdiction (The 1st meeting was held in December 2023 in Tokyo).

In addition to the PA meeting , thanks to kind arrangements of MBIE, Mr. Kato has opportunities of visiting some enterprise in Auckland and Wellington.

Those meetings are also very good for both sides to deepen the understanding how to promote Peppol e-invoice use in each jurisdiction.

Meeting with Westpac in Auckland
