

## Japan Peppol team F2F meeting in Tokyo (2024.1.11)

On 11<sup>th</sup> January 2024, Digital Agency, as Japan Peppol Authority, organizes a Japan Peppol Team F2F meeting and welcomes one new member, Mr. Federico Feggi (CTO, Triplo M's S.A. Switzerland).

Mr. Federico Feggi

Team meeting

Courtesy Visit to Mr. Keisuke Murakami,  
Director-General, Digital Agency

Mr. Feggi is a Computer Science Engineer from Politecnico di Milano, specialized in blockchain technology and cybersecurity. He has experience of team work to complete projects using git-hub, with also international partners. He is curious for applying his experience to digitalization, especially intellectual property and traceability where his strong background of NFTs is useful.

His hard work and ambition will be something for our team, Welcome Federico!!
